

Developer and Partners

DEVELOPER

FIRELIGHT DEVELOPMENTS LTD.

Principal Paul Plocktis is the former General Manager of Big White Ski Resort Ltd. and the former VP of Real Estate and Development for Schumann resorts, where he has overseen the development of the Official Community Plan and Zoning Bylaws for Big White and Silver Star ski resorts. During his seven years of experience as a developer at Big White Ski Resort, his credits include Woodcutter Cabins, Bullet Creek Cabins, Trailside and Trailside Heights and various projects in White Forest Estates. Recently he guided the initial development stages of Snowbird Lodge 1 at Silver Star and was the Master Developer of Feathertop at Big White, an 81 lot subdivision.

PARTNERS

BKDI ARCHITECTS AND INTERIOR DESIGN

Since 1978 BKDI has developed into one of the leading architectural firms in Western Canada, completing literally thousands of projects including office buildings, shopping centres, hotels, highrise residential, urban design, and institutional projects. With more than 90 architects, interior designers, landscape architects, technologists, contract administrators and support staff, they offer a full range of design services including planning and urban design, interior design, landscape architecture, graphic design and computer modeling.

GREYBACK CONSTRUCTION

Established in 1983, Greyback enjoys a strong reputation in the Okanagan thanks to their emphasis on providing economical and viable construction options to owners and developers. Greyback's skilled management team includes Canadian Construction Association Gold Seal Certified Project Managers, Estimators, and Superintendents. They have been a part of a multitude of commercial, industrial, institutional and residential projects, providing them with diverse building capabilities.

LAND LAUNCH MARKETING CORP.

Specializing in new resort real estate developments, Land Launch provides a full scope of sales and marketing services, from project branding and marketing collateral development through to customer generation and final sales contracting. Since 2002 they have managed many projects in the Okanagan including Feathertop at Big White, Snowbird at Silver Star, Predator Ridge and in Washington State, Veranda Beach.

BANK OF MONTREAL

Bank of Montreal is providing construction financing for FireLight Lodge and looks forward to the opportunity to work directly with Purchasers on their financing requirements.
